Focus on Vocabulary
Mastering the Academic Word List
Diane Schmitt and Norbert Schmitt

High-Intermediate – Advanced

Let Focus on Vocabulary give your students a head start to academic and test-taking success. Focus on Vocabulary introduces students to the Academic Word List, the most frequently used words in academic texts.

Features:
• Each chapter presents 24 target words, featured first in an academic reading passage, then in a variety of exercises to reinforce meaning, usage, form, and collocation.
• Collocation exercises — based on the 179 million-word new Longman Corpus – reflect how academic words are used in real contexts.
• Review and Strategy Practice – including tips for dictionary usage, information about word parts and affixes, and methods for expanding word knowledge – is provided at the end of each unit.

Essential Idioms in English
Phrasal Verbs and Collocations
Fifth Edition
Robert J. Dixson

Beginning – Advanced

Organized by level for beginning, intermediate, and advanced students, Essential Idioms in English remains the resource of choice for mastering more than 500 common English idioms, phrasal verbs, and collocations.

Essential Idioms in English thoroughly defines and illustrates each idiom, then reinforces its meaning and usage with multiple-choice, true-false, fill-in-the-blank, and matching exercises.

Features:
• Three new sections on collocations to illustrate the frequency of certain usages.
• An expanded Appendix of Equivalent Idioms that includes Portuguese, French, and Spanish translations.
• Eight-page section on dictionary skills helps students build their knowledge of vocabulary and usage.

“I am blown away by this program! I have told everyone in the U.S. and Japan that I have come in contact with that this is the best CD-ROM I have ever seen or used. The students and I are thrilled! If we’re in the middle of a different activity, and it’s lab time, the students demand we leave for the lab. KUDOS to all who developed it. A masterpiece.”

Robert Steinberg

Newton, MA

For more information on the Azar Grammar Series, see page 48.

These CD-ROM programs mirror the syllabus of the textbooks and provide extensive grammar practice using a variety of interactive tools. They can be used to combine classroom instruction with computer-based learning, or for self-study practice. These CD-ROMs are ideal for lab/classroom-based instruction and as a supplement to the Azar Grammar Series.

The programs feature:

- Animated grammar presentations. Over 180 “talking heads” inform students about grammar and usage in lively, accessible, and engaging ways.
- Development of structure awareness. Introductory dialogues help students notice how grammar works by highlighting use of forms.
- Extensive grammar practice. Each level has more than 500 new interactive exercises including listening, speaking, and reading to provide over 100 hours of dynamic practice per level.
- Learner support. Easy access to information through pop-up notes and grammar charts with clear examples and explanations of key points.
- Ongoing assessment. Students can monitor their progress through immediate feedback on practice exercises, chapter tests, and score reports.

The all-new Focus on Grammar Interactive CD-ROMs mirror the syllabus of the best-selling textbook series: Focus on Grammar, now available in a newly revised third edition.

Clear, contextualized, and interactive, this five-level CD-ROM program provides a communicative review of English grammar that covers all language skills through a comprehensive, motivating, and fun practice of the grammar points and skills introduced in the Student Books.

Program features:

• Abundant contextualized exercises—including grammar, reading, listening, dictation, and speaking activities—provide students with extensive and meaningful lab practice.
• Target structures are presented in full reading and listening passages to help students discover the grammar.
• Dictation exercises provide students with controlled listening and writing practice.
• Speaking exercises give students the opportunity for further oral practice of the vocabulary, grammatical structures, and themes introduced in the unit.
• Review quizzes and reports help students monitor their own progress and work.
• Additional exercises for remedial practice are provided for each grammar point so students can work on improving weaker areas.
• A new From Grammar to Writing section provides students with additional writing practice based on unit topics through a series of controlled exercises, leading to authentic pieces of writing that can be submitted for grading.
• Automated feedback, such as hints and explanations, provides learner support and motivates students.

Lively, contextualized activities provide opportunities for original writing.
