Category Dictation

**Establish columns for different vocabulary or grammatical categories.
Dictate words and have students write them under the appropriate category.**

- a. Have students draw two columns on a piece of paper. At the top of one column, have students write Things I eat, and at the top of the other column, have them write Things I drink.
- b. Dictate various food items from the text and have students write them in the appropriate column. For example:

Things I eat

ice cream
rice
cookies

Things I drink

coffee
milk
soda
