INSTRUCTIONS FOR THE TEACHER

These exercises are a supplement to the object pronoun grammar frame at the bottom of page 71 in Spectrum Book One. In Part One, students will draw lines connecting subject pronouns with their corresponding object pronouns. In Part Two, students will unscramble sentences containing subject and object pronouns that are taken from the dialogs in Unit 7.

Make a copy of the following worksheet for each student. When students have finished the exercises on the worksheet, review the answers with them using the answer key provided.
