Penguin Active Reading

Low-Beginning – Intermediate

**Penguin Active Reading** is an exciting collection of adapted readers that provides reading-skill instruction and language learning through a variety of classic, contemporary, and original titles. Each book contains a wide range of integrated activities designed to develop reading skills and is packaged with an interactive CD-ROM that complements the exercises in the text.

**Features:**
- Pre-and post-reading activities test reading skills.
- Vocabulary, conversation, and writing exercises provide additional language practice.
- Student CD-ROM contains the complete audio recording of the text, interactive activities, and tests.
- Full-color photos, illustrations, and diagrams enhance comprehension.
- Vocabulary words are highlighted, and on-page glossaries offer definitions or example sentences.
- Teacher-support materials including worksheets, progress tests, and answer keys can be downloaded free on our global website [www.penguinreaders.com](http://www.penguinreaders.com)

This acclaimed series of adapted literature and original stories written for low-beginning to advanced students has been completely redesigned with a new look and enhanced content. These leveled readers help students build reading confidence through accessible language and a variety of appealing genres and topics, while vocabulary, grammar, and narrative content are carefully controlled over seven language-competency levels, ensuring a perfect match of reader to text.

"Readers play an integral part in the learning process. Reading for pleasure develops a feel for the written language and its different styles…. Penguin Readers nourish a sense of achievement and growing confidence from successful reading by presenting books with appropriate support materials that are accurately tuned to level."

Andy Hopkins and Jocelyn Potter
Penguin Series Editors
