

Life Skills And Test Prep

Test Prep Solutions that Improve Results!

- Each lesson teaches a CASAS competency skill.
- Extra practice in listening, speaking, reading, and writing.
- Reproducible test-taking tips for students.
- Diagnostic information helps prepare targeted instruction.

Life Skills and Test Prep is designed to help students acquire the language and life skills competencies they need in all their roles in school, at work, and in their communities. The series integrates standardized test-taking strategies to prepare the student for standardized tests and assessments, such as CASAS, TABE, and BEST PLUS. Continual practice solidifies test-taking abilities confidence and improves results.
