

(Chorus)

I'm one of the new kids.
It's my first week here.
Woh – woh! I'm running around in circles.
I'm one of the new kids.
I wonder if I'll ever stop
running around in circles in this school.

I get my schedule from the office
and give my health forms to the nurse.
I pass the auditorium
and watch the band and choir rehearse.
Everything's so strange and new.
Will I be all right?
Will I make it through?
Oh . . .

Chorus

I meet the school librarian –
the guidance counselor, too.
The principal says, "Welcome."
But the kids say, "Who are you?"
All the faces and names are new.
Will I be all right?
Will I make it through?
Oh . . .

Chorus

I tried out and I made the team.
Now there's a lot to do.
I think I'll be all right.
I'm gonna make it through!

I'm one of the new kids.
It's my first week here.
Woh – woh! I'm running around in circles.
I'm one of the new kids.
