

Let's go to Wilson's Department Store.

Let's take a look at the store directory.

Let's plan our shopping trip today.

The 1st floor has men's and women's clothing
with discounts and sale prices every day.

The 2nd floor has toys and children's clothing,
housewares, furniture, and lots of TVs.

I think we're getting close to the perfume counter.
It smells very nice, but it makes me sneeze!

We'll ride the escalator up!

We'll take the elevator down, down, down!

(Chorus)

Let's go to Wilson's Department Store.

They have wonderful products on every floor.

They have everything we need and so much more
at Wilson's Department Store.

Wilson's Department Store.

The 3rd floor is full of household appliances:
washers and dryers, and microwaves, too.

If you're buying presents for friends or family,
the gift wrap counter will wrap them for you.

Return or exchange things at customer service.

It's on the 4th floor. You'll need your receipt.

The ladies' and men's rooms are next to the snack bar.

I'm getting hungry. Let's get something to eat!

We'll ride the escalator up!

We'll take the elevator down, down, down!

Chorus

There's a store where they will always greet you
with "May I help you" and "It's nice to meet you."

We all know there's just one place to go . . . oh . . . oh . . .

Chorus
