The place where I live

Hi, I'm Masie. I live in Boston, Massachusetts, in the United States. Our house isn't very big, but there are many nice people on our street. I have two very good friends—Joey and Paula. There is one bad thing about our street. There are a lot of cars on our street, so we can't play outside and the traffic is very noisy. Ms. Leigh lives next to us. She's very old and has four cats. She's friendly, but her cats come into our garden. The Kartners, a family from Poland, also live near us. They have a little baby and are very nice. My cousins Rosy and Fiona live across the street. I really like living here.
