• READING •

- 7** Read the letter. Then read the statements and write T if they are true, and F if they are false. [8 points]

Dear Sophie,

I'm finally in San Francisco! I can't believe that I'm actually sitting on the grass in Golden Gate Park! The weather is beautiful, and everything is perfect! I'm here with Laura, the girl I'm staying with, and a few of her friends. Everyone is so nice. We're making plans to see everything while I'm here. That includes a visit to Coit Tower, crossing the Golden Gate Bridge, shopping in Union Square, and a visit to the Redwood Forest. The forest attracts a lot of people and can be very crowded, so we're going early in the morning.

I wish you were here, too. It's fantastic! Write and tell me what's going on at home. I miss you!

XXX

Anna
