Dear Anil.

Thanks for the email. It's great to hear from you. Are you having fun in Mallorca? Are you meeting any nice girls?

I've got some exciting news. We're moving to a new house! I'm really happy about it. The house is on Milton Road, next to the park. It has four bedrooms, a big kitchen, a living room, a study, and three bathrooms! And there's a small garden in the back, so Mom and Dad say we can have a dog.

The good thing is I'm going to have my own bedroom. I'm going to paint the walls black and purple and have my own TV and computer! And I'm going to have two beds in there so you can come and stay when we get back from our vacation.

We're going to Greece tomorrow for two weeks. I'll call you when we get back.

Write soon,

Sol
