OUR PARK

1 Read the text.

Here's a picture of the park near my house. This is a great park—we love it! It has different areas for different activities. For example, there's a soccer area, a tennis area, a basketball area, a picnic area, and a lake. There's also a big gym in the main building. That's the building next to the lake.

Do you see those ducks in the lake? Those ducks are five years old. See the man in the boat? Well, that man is my Uncle Steve. See the table between the trees? That's the picnic table. People eat their lunches and snacks there.

People play basketball in the area behind the picnic table, next to the trees. They play tennis in the area next to the picnic table. See the soccer area? It's really big! (It's behind the main building.)

I love this park. It's a great place to hang out.

2 Look at the picture above. Write the name of each place.
