I have a small room, but it has all my favorite things. On the shelves is my collection of toy cars. Star Wars figures and model airplanes are on the wall. There's also a bookshelf of comic books, a complete set of Harry Potter books and books about snakes and lizards. My textbooks and other books that I use for school, such as a dictionary, a set of encyclopedias and an English grammar book are also on the bookshelf. My backpack hangs on a hook behind my bedroom door.

To relax I listen to music on my CD player, watch sports on my TV or call my friends on my cell phone. I also go out and play basketball with my friends, jog around the neighborhood or do some chores. Most of the time though, I stay in my room.
