Ana,

I can't find my backpack, and I need it for class tomorrow. I don't know what to do! It isn't anywhere. It isn't on my desk or in the kitchen. Maybe it's on my desk at school, or on the school bus. It has all of my books, notebooks, and everything else I need for school in it. I can use pencils, pens, and the ruler I have at home, but I can't do my homework without my notebooks and books. Can you give me the assignments please? And can I borrow your science book? There's a chapter I haven't read yet, and we have that test tomorrow. I can come over to your house and pick up the book after lunch, and I can return it tonight. Please let me know ASAP!
