Writing

- 7 Lions eat almost anything. They usually hunt deer, but they also eat buffalos, giraffes, and even crocodiles. They like to hunt at night and in the early morning because they are most active during these times. They drink water, but they can go for long periods without water in deserts and very dry areas. If they are very hungry, they eat dead animals.

Reading

7 I think the ideal house of the future is going to have a smart robot that can do all the household chores. It can wash dirty clothes and iron them. It can vacuum the floor and make messy rooms all neat and clean. It can even shop for healthy food and cook delicious meals!

The house of the future is going to have lots of electronic equipment.

It's never going to be too hot or too cold. It's always going to be nice and cozy because the house knows how to keep it that way throughout the whole year.

You are going to be safe in your house. The door and windows are going to be so strong that no one can break in. You're not going to pay so much for electricity because everything is going to be run by solar energy.

You know what? I think I'm going to start thinking of ways to make this house of the future happen now!
