THE MYSTERY LETTER

1 Read the text and put the pictures in the correct order.

Darrel looked all day for his cell phone but he couldn't find it anywhere. He was almost ready to give up when he opened an old box and found, not his phone, but a letter in an unopened envelope. The date on the envelope was September 8th, a week before, but what surprised him was the note written on the back. It said "Open this to help find what you are looking for."

"That's not possible!" thought Darrel. "I lost my phone this morning and the letter is from a week ago!" He opened the letter and read the four words: "Go to the kitchen." "Nothing else?" he thought. But what could he do? He went to the kitchen and saw a note on the table. It said "Phone this number."

Darrel phoned the number. The phone at the other end rang, then a voice answered. "Hi Darrel. It's Rick. I borrowed your phone this morning. I hope you don't mind."
