DEAR DIARY

1 Read Helen's diary entry about her new boyfriend and decide which is his picture.

Dear Diary,

Today is a wonderful day because I have a new boyfriend. His name's Tony and he's really good-looking. Tony's eighteen and he lives near my house, but he doesn't go to my school. He doesn't study at all because he's a musician! But that isn't the reason why I like him. It's his face and his personality. He's a really good person and he has big green eyes and shoulder-length wavy blond hair. My boyfriend looks like a rock star! Well, almost. Oh, and he's a really nice guy, too. I'm very happy that Tony is my boyfriend.
