7 Read the text and circle the correct answers. (1 point each)

Juggling

Juggling is a skill that needs a lot of practice. Using two hands to throw two balls up and down is not really juggling, but that is how you could start.

Many jugglers can juggle four or six balls with only one hand! Often jugglers will use their feet as well as their hands. The juggling record is fourteen objects.

It is a very old skill and has been handed down for centuries. It was often seen in the courts of kings and queens. Today, it is very popular again and you can often see people standing on street corners in big cities showing off their skills to earn some extra money.

- 1 Jugglers _____.
 - a must practice a lot
 - b shouldn't practice a lot
 - c can't practice a lot
- 2 Juggling with two balls _____.
