•EXTENSION•

1 Write some advice for these problems (use *should have* and *shouldn't have*).

1. My sister thought she was fat and she went on a diet, but she wasn't fat at all! She only ate fruit and drank water. Fruit is healthy, but she wouldn't eat anything else. She got very sick and passed out. What should she have done differently?

2. My best friend started smoking. I tried to talk to him about how dangerous it is and that it can cause cancer. But he just laughed and said he didn't care because it looks cool! Now he has trouble doing even a little exercise, but he wants to join the football team. What should I have said to him to get him to quit?

2 Say if the sentence refers to the past or the present.

1. When I was younger, I used to go swimming every Saturday.

past

2. She is used to traveling all around the world. She works for an airline.

3. My great-grandmother didn't use to go to school.

4. I'm not used to getting up early because I usually get up at ten o'clock.

3 a) Write two sentences about things you *used to do*.

1. _____

2. _____

b) Write two sentences about things you *didn't use to do*.

1. _____

2. _____

c) Write two sentences about things you *are used to doing now*.

1. _____

2. _____

d) Write two sentences about things you *are not used to doing now*.

1. _____

2. _____
