

Eat to Live or Live to Eat?

1 Focus on the Topic

A PREDICTING

Look at the photographs and the title of the unit. Then discuss these questions with a partner.

1. What do the photographs show? What are the people doing? How do you think they feel?
2. What are the similarities and differences between the two photos?
3. What do you think the title of the unit means? What do you think this unit will be about?
