

## Video Activity Worksheet

### Unit 2: Fraud

#### *Credit Card Fraud*

### Comprehension

#### Predict

*This video is about a new security program that protects consumers who shop on the Internet. Before you watch the video, answer the following question.*

Why do some people feel nervous about shopping online?

#### Focus

*Watch the video. Find the answer to the following question.*

How much does this security program cost?

### Comprehension

*Choose the best answer. Circle a, b, or c.*

1. What is the advantage of this security program?
  - a. You don't need to give your real credit card number online.
  - b. It's faster and more convenient than using a real credit card.
  - c. You don't need to own a credit card to make purchases online.
2. Who is offering this security program?
  - a. computer companies
  - b. banks
3. How many times do you use an alternative account number?
  - a. one time
  - b. every time
4. What is the safest way to make a purchase online?
  - a. using a check
  - b. using a credit card

### Speaking

*Choose one of the topics. Record and submit a one-to two-minute response.*

- Have you (or someone you know) ever made a purchase online? If yes, did you feel nervous about giving your credit card number?
- Have you (or someone you know) ever been a victim of credit card fraud? What happened?
- Would you be interested in using this new security system?

### Writing

What is your opinion about the online security program you learned about in the video? Is it a good idea? Why or why not? Give your opinion and facts to support it.
