Answer: Alligators live for about eighty years.

DAY 3

Answer: Bobby is good, and people like him.

DAY 4

Answer: Bobby's mother is mad at Teddy, and she wants him to get Bobby a special present.

DAY 5

Answer: When I was young and didn't know much, I believed practically anything.

Daily Language Practice - WEEK 7

DAY 1

In 1955, Rosa Parks board a bus and become a hero of the Civil Rights movement.

DAY 2

Helen Keller and Albert Einstein is extraordinary peoples.

DAY 3

At an age early, Mozart amazes his audiences.

DAY 4

Astronaut Ellen Ochoa has studied engineering physics music

DAY 5

When they first went to the North Pole, the distance they cover in only 37 days is incredible.

DAY 1

Answer: In 1955, Rosa Parks boarded a bus and became a hero of the Civil Rights movement.

DAY 2

Answer: Helen Keller and Albert Einstein are extraordinary people.

DAY 3

Answer: At an early age, Mozart amazed his audiences.

DAY 4

Answer: Astronaut Ellen Ochoa has studied engineering, physics, and music.

DAY 5

Answer: When they first went to the North Pole, the distance they covered in only 37 days was incredible.

Daily Language Practice - WEEK 8

DAY 1

Stephen Hawking write *A Brief History of Time*.

DAY 2

Helen Keller conducts many lectures with the help of her teacher and even writes a book.

DAY 3

Erik complete in September, 2002, his goal of climbing the tallest mountains in the world

DAY 4

As a student, Albert Einstein perform poorly, but people later recognizes his genius.

DAY 5

Adriana Fernandez goed on to perform in the New York City Marathon in both 1998 1999.

DAY 1

Answer: Stephen Hawking wrote *A Brief History of Time*.

DAY 2

Answer: Helen Keller conducted many lectures with the help of her teacher and even wrote a book.

DAY 3

Answer: In September 2002, Erik completed his goal of climbing the tallest mountains in the world.

DAY 4

Answer: As a student, Albert Einstein performed poorly, but people later recognized his genius.

DAY 5

Answer: Adriana Fernandez went on to perform in the New York City Marathon in both 1998 and 1999.

Daily Language Practice - WEEK 9

DAY 1

Adriana Fernandez fast is a runner.

DAY 2

People with disabilities are not incapable of great achievements.

DAY 3

the mothers brought the soldier food

DAY 4

Beggers can't be choosers

DAY 5

When the soldiers weren't looking, the women run away.

DAY 1

Answer: Adriana Fernandez is a fast runner.

DAY 2

Answer: People with disabilities are not incapable of great achievements.

DAY 3

Answer: The mothers brought the soldier food.

DAY 4

Answer: Beggars can't be choosers.

DAY 5

Answer: When the soldiers weren't looking, the women ran away.

Daily Language Practice - WEEK 10

DAY 1

The Vietnam War lasts many years

DAY 2

Before she asked Mai about her first home, Hong stack the pots.

DAY 3

Thousands of children leaved Sudan to escape the civil war, but many survived not.

DAY 4

Answer: The bombing of Hiroshima killed more people in a short time than any other military action.

DAY 5

Answer: Many children of today are more familiar with peace than with war.

Daily Language Practice - WEEK 31

DAY 1

Next week, we studied the results of the experiment.

DAY 2

I'm afraid that I won't be able to attend.

DAY 3

Someday, somebody pay for this.

DAY 4

Some predict that we never reach the limits of outer space

DAY 5

There be less green space as the population of the world expands.

DAY 1

Answer: Next week, we will study the results of the experiment.

DAY 2

Answer: I'm afraid that I won't be able to attend.

DAY 3

Answer: Someday, somebody will pay for this.

DAY 4

Answer: Some predict that we will never reach the limits of outer space.

DAY 5

Answer: There will be less green space as the population of the world expands.

Daily Language Practice - WEEK 32

DAY 1

We hope that doctors someday found a cur for cancer.

DAY 2

Tomorrows computers process billions of calculations a sekund.

DAY 3

Architects for the future design buildings that, when bilt, accommodates thousands of peopel.

DAY 4

My father complained, "I'm won't let a car that drives itself drive me anywhere!"

DAY 5

Hypersonic planes be able to fly to outer space.

DAY 1

Answer: We hope that doctors someday will find a cure for cancer.

DAY 2

Answer: Tomorrow's computers will process billions of calculations a second.

DAY 3

Answer: Architects for the future will design buildings that, when built, will accommodate thousands of people.

DAY 4

Answer: My father complained, "I won't let a car that drives itself drive me anywhere!"

DAY 5

Answer: Hypersonic planes will be able to fly to outer space.

Daily Language Practice - WEEK 33

DAY 1

When built, a working version of the X-43A be more than four times as bigger as the prototype.

DAY 2

Jetpacks today don fly very far.

DAY 3

Maybe humans colonize Mars.

DAY 4

Engineers and mechanics have plenty of work in the years to come.

DAY 5

Space travel probably become available to the average citizen within the next fifty years.

DAY 1

Answer: When built, a working version of the X-43A will be more than four times as big as the prototype.

DAY 2

Answer: Jetpacks today don't fly very far.

DAY 3

Answer: Maybe humans will colonize Mars.

DAY 4

Answer: Engineers and mechanics will have plenty of work in the years to come.

DAY 5

Answer: Space travel will probably become available to the average citizen within the next fifty years.

Daily Language Practice - WEEK 34

DAY 1

We are go to finish a story by the end of this week.

DAY 2

The trio returning to the museum the next chance they get

DAY 3

“Get down! The SellBot’s explode!”

DAY 4

I going to see the seven o’clock show.

DAY 5

If traffic is bad, it going really get on her nerves.

DAY 1

Answer: We are going to finish a story by the end of this week.

DAY 2

Answer: The trio will be returning to the museum the next chance they get.

DAY 3

Answer: “Get down! The SellBot’s going to explode!”

DAY 4

Answer: I’m going to see the seven o’clock show.

DAY 5

Answer: If the traffic is bad, it is really going to get on her nerves.

Daily Language Practice - WEEK 35

DAY 1

Sam worries that he and his Time Warp friends are to blow up.

DAY 2

I not going listen to you any more.

DAY 3

If you're an identical twin, you to look a lot like your sibling.

DAY 4

We going to learn a lot about genetic engineering over the next several years.

DAY 5

Some traits are often inherit; if you have dimples, your child is going to them, too.

DAY 1

Answer: Sam worries that he and his Time Warp friends are going to blow up.

DAY 2

Answer: I'm not going to listen to you any more.

DAY 3

Answer: If you're an identical twin, you look a lot like your sibling.

DAY 4

Answer: We are going to learn a lot about genetic engineering over the next several years.

DAY 5

Answer: Some traits are often inherited; if you have dimples, your child is going to have them, too.

Daily Language Practice - WEEK 36

DAY 1

Some predict that detectives are never to solve the crime.

DAY 2

The police are going block the roads to catch the suspect

DAY 3

The evidence proved that the man were guilty

DAY 4

The Innocence Project go to restore dignity to the lives of the wrongly convict.

DAY 5

DNA tests going be increasingly use to eliminate wrong suspects and to solve crimes.

DAY 1

Answer: Some predict that detectives are never going to solve the crime.

DAY 2

Answer: The police are going to block the roads to catch the suspect.

DAY 3

Answer: The evidence proved that the men were guilty.

DAY 4

Answer: The Innocence Project is going to restore dignity to the lives of the wrongly convicted.

DAY 5

Answer: DNA tests are going to be increasingly used to eliminate wrong suspects and to solve crimes.
