**Graphic Organizers**

(Unit 10, page T117)

What is a technology that is part of your everyday life?	Does it add to or interfere with your leisure time? Why?	What are some ideas to stop it from interfering with your leisure time?
<i>my cell phone</i>	<i>Interferes—because it keeps ringing and interrupting me</i>	<i>turn it off when I go out and only turn it on if I need to make a call</i>
