I'm a nurse. I work the evening shift in a busy hospital near my home in the city. The hospital is only a few miles from my apartment, so I walk to work. I like that. I spend a lot of time with my patients, and I enjoy getting to know them. I like helping people and making them feel better.

Of course, it's a difficult job. I have to sleep during the day, and get up at 6 p.m. to go to work! I don't like that. Sometimes I have to work long hours if there's any emergency.
