

Module 15 - About you

1. Look at Module 15 and write about yourself

1. Which subjects are you good at?

2. What did you think about your lessons at school?

3. Can you remember your first teacher?

4. What was his/her name?

5. What did he/she teach you?

6. Which did you like best, primary school or secondary school? Explain.

7. Are you doing any courses at the moment besides this one? Explain.

8. Are you going to take any exams this year?

9. Do you think you will pass or fail?

10. Which foreign languages do people study in your country?

11. At what age do they start?

12. Do you study any other foreign languages? Explain.

13. If not, would you like to?

14. What are your plans for the future?

Cutting Edge Elementary Worksheet

2. Exchange text with a classmate and check what you have in common. Write a list with your similarities and differences below.

Cutting Edge Elementary Worksheet

Module 14 Teacher's notes

Answers will vary from student to student. This exercise could be given to your students for homework, or used as the basis of a class discussion.

As an alternative to pairwork, you could ask your students to compare notes with as many people as possible in the class to see who they are most like or different from.
