

Needs Analysis

Think about your level of English and the areas that you feel need more attention. Fill in the following table with as much information as possible.

For example, do you find it difficult to remember word formation - prefixes and suffixes? Do you confuse the uses of the past tense and the present perfect? Or do you find it difficult to express your ideas in writing?

Reading	Writing	Grammar	Vocabulary	Listening	Speaking
e.g. problem with general meaning.		e.g. past tense or present perfect	e.g. remembering prefixes
