

PART THREE

Scenario:

I'm going to describe a situation.

A company wants to motivate staff to work harder. Talk together for about 2/3 minutes about some of the things the company could do to motivate them and then decide together which three things would be the best.

Here are some ideas to help you.

STAFF MOTIVATION

- Higher salaries
- More training
- Bonus payments
- More holidays
- Flexible working hours
- Private health insurance
- New offices
- Free company transport
