## Answers

This worksheet is designed to be photocopied and used in class. This worksheet is in black and white so students will try to remember what colours the flags are. Alternatively, you could ask your student to research the colours of the flags for homework.

Paolo's country's flag is **green, white and red**.

Flag (a) is from **Poland**. The colours are **white and red**.

Flag (b) is from **Argentina**. The colours are **blue and white** and the star in the middle is **gold**.

Flag (c) is from **Great Britain**. The colours are **red, white and blue**.

Flag (d) is from **Switzerland**. The colours are **red and white**.
