## 23 A Walking Dictionary

Time: 10 minutes

### Aims:

- To learn different verbs for walking.
- To use the Longman Language Activator® on the CD-ROM.
- Point out to students that the Activator provides alternative words for/synonyms of words in English.
- 2. Tell the students to look up the word walk. Point out that if they click on any of the different descriptions on the lefthand side of the screen, a list of choices will be provided on the right.
- Explain that if they click on any of the words on the right, a 3. definition will appear, along with related words and phrases, and example sentences.
- Tell the students to use the Activator to match the different ways of walking in exercise A with the correct definitions.
- Now ask them to complete the sentences in exercise B by 5. choosing the appropriate word from A. (Only eight of the words are used.)
