

The Practice of English Language Teaching is an essential guide for teachers of English. The fourth edition has been completely updated to reflect new developments in language teaching. It includes:

- a discussion of the status of English as a world language
- a wide range of practical teaching ideas and sample lessons reflecting current methodological practice
- a comprehensive evaluation of new technologies in the classroom
- an increased focus on issues such as teacher development, context-sensitive teaching and learner autonomy
- a DVD showing real classes and discussions between the author and the teachers involved

4th edition with DVD

Jeremy Harmer, *How to... Series Editor*

“ The *How to...* series is written by teachers and teacher trainers, people who know the reality of the classroom and the support teachers need to get the most out of their students. Our aim is to build teachers' confidence, knowledge and classroom abilities – and inspire them to try out new ideas. ”

How to Teach English is a practical guide for teachers who are at an early stage in their careers and for those who are studying for the CELTA, certificate in TESOL, and TKT exams. This new edition has been fully revised to reflect recent methodological developments and includes:

- a comprehensive glossary of teaching terminology, including terms required for the TKT exam
- a DVD with clips from actual classes demonstrating good teaching practice
- a new chapter on testing
- a Task File of photocopiable training tasks

With DVD

How to Teach English with Technology is a practical guide for teachers who wish to use new technology in the classroom. It looks at current applications but also prepares for the future

The book includes:

- a CD-ROM with practical step-by-step demonstrations
- information on how to set up internet-based project work
- instructions on how to use blogs, wikis and podcasts
- a guide to producing your own electronic materials
