

General English

NEW

Low Intermediate – High Intermediate

An innovative three-level CD-Rom programme which uses authentic, unscripted videos to teach vocabulary, listening, grammar, and speaking in a fast-paced and fun environment. The vocabulary comes from live videos, so students learn words as they flow in real conversation.

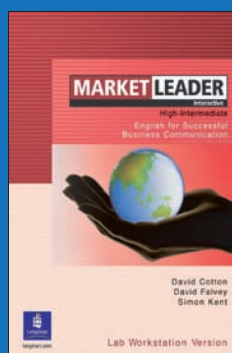

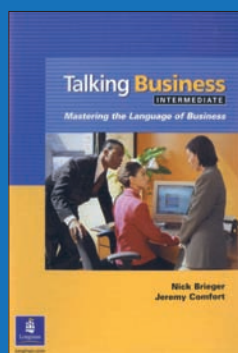

Beginner – Upper Intermediate

Longman English Interactive is a 4-level, video-based, integrated skills programme that includes over 100 hours of instruction per level. The programme provides instruction and practice in grammar, speaking, listening, vocabulary, pronunciation, reading and writing.

Business English

Intermediate

Talking Business develops social and functional business language to help learners communicate fluently in today's dynamic business environment.

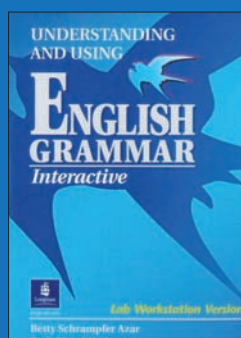

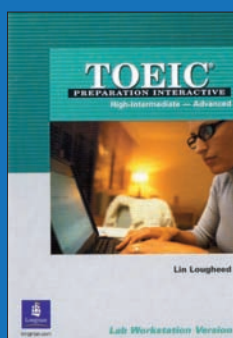

Intermediate

Drawing from resource materials such as the Financial Times, Market Leader Interactive helps learners master business language and concepts.

Exam Preparation

TOEIC® Preparation Interactive includes:

- Step-by-step test taking strategies
- Practice exercises
- Hints and feedback explaining why an answer is right or wrong
- Review quizzes for each section of the test
- Two complete practice tests

Through a dynamic combination of animation, audio, and voice recordings, this multimedia program provides more than 100 hours of instruction and interactive practice.
