Teacher's notes

This worksheet is designed for use after completion of pages 106–112.

- 1 **Students write a sentence for each time saying what they will be doing. Check they are writing full sentences and including the future continuous in their answers.**
- 2 **Students complete the sentences with the people from the Vocabulary section on page 106.**
 - a A **client** is someone who pays for and receives a service from a company.
 - b A **neighbour** is a person who lives in your area.
 - c Your **relatives** are the members of your family.
 - d Someone who was in the same class at school with you is an **ex-classmate**.
 - e At a summit meeting **political leaders** might meet to discuss foreign policy.
 - f Your **business associates** are people you work with or do business with.
 - g Your **boyfriend** or **girlfriend** is someone you have a relationship with but who you're not married to.
 - h A **delegate** is a person who has been chosen to represent a group at a meeting.
 - i **Colleagues** are people you work with.
 - j A **guest** is someone you invite to your home, maybe to a dinner party.
- 3 **Students discuss with their partners if they or someone they know has contact with the people in number 2. Monitor the conversations, and correct any important errors and praise good use of language.**
