TEACHER’S NOTES:

Aim: to further practise uses of like. This worksheet is designed to be used in conjunction with unit 6.2.

Time: 40 minutes

Materials: photocopies of the worksheet for students

1 Students use the prompts to complete the sentences using like correctly. Give students time to compare their answers and correct each other’s work if necessary before checking the answers with the class.

**Suggested answers:**

1 He wouldn’t like to go on a safari.
2 The church looks like a castle.
3 This house smells like apples.
4 What’s the hotel like? 5 We don’t like package holidays.
6 She would like to go on a cruise.
7 They felt like royalty staying at that hotel.
8 It looks like we might get a pay rise.

2 Ask students to follow up the activity in Ex. 1 by writing questions/answers with like. Go around the class monitoring and give help if necessary. Elicit students’ answers and encourage peer correction.

**Suggested answers:**

1 Would he like to go on a safari?
2 What does the church look like?
3 What does this house smell like?
4 It’s beautiful – it’s like a palace!
5 Do you like package holidays?
6 Would she like to go on a cruise?
7 What did they feel like at that hotel?
8 What do you think? Are we going to get a pay rise this year?

3 Students interview two students using questions which all include one of the uses of like from unit 6.2. This is a free speaking activity so when monitoring, encourage students to expand as much as possible in their answers. Get feedback from various students.

As a class or homework activity, ask students to write out in full the answers they got from the two students, as this consolidate like as well as the theme of holidays and destinations from unit 6.
