Language Leader provides a thought-provoking and purposeful approach to learning English. It is ideal for contemporary students who need communication skills for the 21st century. The course includes topic areas that stimulate discussion and debate and go beyond the lifestyle topics found in most ordinary coursebooks. It also provides clear structure and progression and a solid study and writing skills syllabus.

- Unique scenario lessons engage students in communicative tasks that are both highly motivating and enjoyable
- Workbook with Audio CD – ideal for self-study
- Teacher’s Book provides all the support you need with detailed teaching notes and a Test Master Multi-ROM

“Language Leader has a wonderful selection of topics suitable for students who require a mature and challenging course with the opportunity for self-study. In particular, the scenarios provide students with the chance to use language in an authentic way.”

Kimberly Oppenheim
University of Hamburg

www.pearsonlongman.com/languageleader
TECHNOLOGY TOOLKIT

- Coursebook CD-ROMs
- Test Master Multi-ROMs for each level
- Audio CDs
- Companion Website

Grammar is clearly defined and regularly practised in each unit – students gain a solid sense of progress.

Students discuss the theme of the unit using key vocabulary and lexis.

Meaningful speaking activities which encourage students to communicate.

Interesting, real-life reading texts reflect the world that students live in.

Example taken from Intermediate Students’ Book Level 1

For a full list of ISBNs, please go to the index section at the end of the catalogue.
Total English is the six-level course that brings the outside world into your classroom. Based on CEF ‘can do’ objectives, the course is well organised, with clear learning aims – making it easy to plan lessons and measure your students’ progress. The Student’s Book includes a DVD with authentic clips from TV and film, which can be used in class or for self-study. DVD worksheets can be found in the Teacher’s Book along with photocopiable activities and a Test Master CD-ROM.

- Extra practice can be found in the Workbook that contains an innovative ‘catch-up’ CD-ROM for students who miss class
- ‘Reference and review’ sections at the end of each unit ensure that grammar and vocabulary are regularly practised
- The companion website www.pearsonlongman.com/totalenglish has a wide range of supplementary materials including student portfolios and new author worksheets

New, two-part flexi-course consisting of 50% of the Students’ Book and 50% of the Workbook plus CD-ROM and DVD. See ISBN index for more information.
New Cutting Edge is the best-selling adult course known throughout the world for its practical approach to task-based learning. Combined with a comprehensive grammar and skills syllabus, the course has a strong emphasis on vocabulary and pronunciation. Self-study CD-ROMs and software for the interactive whiteboard make it even more fun and engaging for learners.

- Self-study CD-ROMS with the Course Book contain a range of activities – including audio and video
- The comprehensive Teacher’s Book offers step-by-step teaching notes and a Test Master Multi-ROM
- The companion website: www.pearsonlongman.com/cuttingedge contains CEF benchmarks, webquests and worksheets

Online Learning
Online components and stand-alone courses

Take your English course online with NEW internet-based materials including automatic marking to save teachers time. Whether you want materials integrated with your course, or general language practice, online learning has been proven to motivate students to study more and improve their performance.

The easy assignment of activities and unlimited access for your students allow online course materials to be used as homework. Your class gradebook will automatically collate all your students’ grades in one convenient place allowing you to manage assessment and monitor individual and class performance at a glance.

For those teachers who want to personalise their courses to individual needs, MyEnglishLab also gives you the flexibility to:

✓ assign different tasks to particular students depending on their needs
✓ upload your pre-prepared activities or create your own interactive exercises
✓ control how your students do specific activities by changing the settings

With Pearson Longman’s online courses, we take care of the technical aspects for you, allowing you to concentrate on your students’ needs and your expertise in teaching English.
**MyTopNotchLab**

- An easy-to-use, powerful online program component to the *Top Notch* program for students and teachers that saves time and improves results.
  - Hundreds of exercises for extensive practice, correspond to each unit of the textbooks to extend learning beyond the classroom.
  - Students receive personalized instruction, practice and feedback in all four skills. Audio, video and test preparation are all in one place—available anywhere, anytime.
  - Teachers can take advantage of customizable resources including online assessments, a flexible gradebook and personalized tools for monitoring student progress.

Communication tools allow students and teachers to interact with each other extending learning opportunities beyond the classroom.

*New Coming Soon*

**MyNorthStarLab**

- An easy-to-use, powerful online program component to the *NorthStar* program for students and teachers that saves time and improves results.
  - All new exercises which correspond to each unit of the textbooks to extend learning beyond the classroom.
  - Students receive personalized instruction, practice and feedback in all four skills. Audio, video and test preparation are all in one place—available anywhere, anytime.
  - Teachers can take advantage of customizable resources including online assessments, a flexible gradebook and personalized tools for monitoring student progress.

Communication tools allow students and teachers to interact with each other extending learning opportunities beyond the classroom.

**MyCuttingEdgeLab**

- A new online component for your *Cutting Edge* course.

*Michael Rost and Marjorie Fuchs, Levels 3 and 4*
WorldView
Beginner – High Intermediate
Series Editor: Michael Rost

Give your students an international perspective using WorldView. Easy-to-teach, the course follows a simple and proven M.A.P formula:
- motivate language through stimulating content and clear learning goals
- anchor language production with strong language presentations
- personalize learning through engaging and communicative speaking activities
- student book now available with self-study Audio CD and CD-ROM

Powerbase
Beginner – Pre-intermediate
David Evans

This highly-communicative course for low-level adult students delivers practical English for immediate use in the working world. Powerbase focuses on the everyday key vocabulary and phrases needed for work, travel and social situations.

Powerbase is the perfect course to lead into Powerhouse (see page 63)

Language to go
Elementary – Upper Intermediate
Series Editor: Simon Greenall

Language to go is the perfect solution for short, intensive courses and can easily be extended into a longer course. The Students’ Book comes with a handy phrasebook covering essential words and expressions for everyday communication.

*Elementary: Carina Lewis and Simon le Maistre
Pre-intermediate: Gillie Cunningham and Sue Mohamed
Intermediate: Araminta Crace and Robin Wileman
Upper Intermediate: Antonia Clare and JJ Wilson

For further information visit www.pearsonlongman.com/catalogue.
NorthStar, now in its third edition, motivates students to achieve in their academic, as well as personal language goals. **NorthStar** continues to provide a fully-integrated approach in five levels with two complementary strands: Reading and Writing and Listening and Speaking.

- **New themes** and updated content, and a variety of text genres, including literature, lectures, and an extensive use of authentic reading and listening selections, challenge students intellectually and prepare them for academic life.

- **Enhanced focus on academic skills** such as inferencing, synthesizing, notetaking, and test-taking and more purposeful integration of critical thinking, help students develop strategies for success in the classroom and on standardized tests.

- In the Reading and Writing strand, a new, fully-integrated writing section leads students step-by-step through a meaningful academic writing assignment.

- In the Listening and Speaking strand, a structured approach leads students to organize and produce an integrated oral presentation, debate, interview, or role play.

- **New design** and full-color pages, more photos, illustrations, and graphic organizers foster student engagement and make the content and activities come alive.

Every new NorthStar student book is available with its own MyNorthStarLab – an easy-to-use online program for students and teachers.

For a full list of ISBNs, please go to the index section at the end of the catalogue.
**Side by Side**

*Low-Beginning – Intermediate*

*Side by Side* has helped more than 25 million students worldwide persist and succeed as language learners! This course is a dynamic, all-skills program that integrates conversation practice, reading, writing and listening — all in a light-hearted, fun and easy-to-use format.

This edition promotes active communication between students... practising speaking together “side by side”.
