Do your intermediate students need to build their vocabulary? Do they need help with writing skills? If so, the Longman Essential Activator gives them just the help they need. It expands their vocabulary by building on simple words they already know, and the Longman Writing Coach CD-ROM improves their writing skills.

Intermediate

How does the Longman Essential Activator build vocabulary?

1. Students choose a word they already know - such as ‘throw’
2. They use the clear headings to find the right meaning
3. They look at the different options - clear definitions and plenty of examples make choosing the right word easy
4. Grammar and common-error information help students use the new word correctly

How does the Longman Essential Activator improve writing skills?

- Students learn key vocabulary by topic with the colour Word Banks, and use the Writing Tips to structure essays correctly
- Students can practise their writing skills using the Longman Writing Coach CD-ROM. The Coach guides students through the stages of writing a full essay which they can check against the model essay provided
- You can click from any word straight to the definition in the Longman Active Study Dictionary which is included in full on the CD-ROM
