Activate your teen exam classes

Activate! is a rigorous, vibrant and stimulating course like no other exam preparation course. Using topics based on self-development, teenage ambitions and popular culture, Activate! truly inspires students to aim higher and reach their full potential.

The Skillzone and Examzone characters help you to coach your teen students to study and improve their exam skills. Students are encouraged to formulate and voice their own opinions with the Summarise, Useful Phrases and Time to Speak features in each unit.

The unique components support both the teacher and student in achieving their goals.

Grammar & Vocabulary books and the B2 Use of English book ensure students practise key language required for their exams.

**Prepare students for the IELTS exam as well as future academic study**

With its focus on academic skills, this updated version of *Focus on IELTS* equips students for both the IELTS examination, and the tools that they need for academic life. *Focus on IELTS* new edition keeps its popular topical based approach plus new material aimed at helping students succeed in their future studies. Thorough exam skills training and graded practice helps students pass the exam.

- **Critical Thinking** and **Reflective Learning** training helps students become more analytical as learners
- **Academic Vocabulary** sections systematically build up knowledge of the Academic Word List
- **Academic Style** sections focus on key aspects of academic English, and develop students’ ability to achieve the appropriate formal style

*Focus on Academic Skills for IELTS* is the ideal companion to *Focus on IELTS* coursebook, providing thematically linked practice for each unit. It can also be used on its own for self-study or as a short intensive IELTS course.

*Focus on IELTS Foundation* provides solid grounding in the language and skills required for the IELTS exam. With a strong emphasis on core grammar and vocabulary, it can be used as a stand-alone course or as a lead-in to *Focus on IELTS*. 
“Teaching not just testing” sections contain task-specific hints giving students guidance on how to approach task types.

The Practice Tests Plus series offers comprehensive practice for each exam paper.

Practice Tests Plus books include:
- audio and colour visual materials allowing students to practise for the speaking and listening papers at home
- sample answer sheets and a guide to the exam so your students know what to expect
- answer key and tapescript to support teachers doing exam practice in class

Interactive exam practice for KET, PET, FCE, CAE, IELTS, TOEFL®, TOEIC®

iTests.com offers your students timed exam practice using the same format and question types as the real exam.
- Instant grading including automatic essay marking
- Personal progress charts to monitor progress
- Exam practice whenever, wherever students want

Recommend iTests.com to your exam students and help them to be well prepared, feel confident and succeed in their exam.

These comprehensive book and CD-ROM packages provide students with the skills, strategies, practice, and confidence they need to improve their performance on the TOEFL® paper test.

Both programmes are appropriate for dedicated test preparation or as supplements to more general English courses.

An available Audio Program includes complete materials from the Listening Comprehension sections of the texts, as well as from the complete tests.

Combining a comprehensive language skills course with a wealth of practice for all sections of the TOEFL® iBT.

The Longman Preparation Course (high intermediate to advanced level) and the Longman Introductory Course (intermediate level) give students all the tools they need to succeed on the new TOEFL® integrated-skills test.

The innovative CD-ROM and website work together, allowing teachers to collect student data in one easy-to-manage website.

Pearson Longman and ETS combine their expertise in language learning and test development to create an innovative approach to developing the skills assessed in the new TOEFL® iBT test.

This three-level series, links learning and assessment with a skill-building curriculum that incorporates authentic test material from the makers of the TOEFL® iBT.
