Professional Training Online

Teacher Development Interactive for Young Learners

The world’s leading ELT experts provide powerful online professional development.

- Internationally recognized First TESL/TEFL Certificate
- Interactive instruction using video, audio, and text
- Classroom video segments show practical application of methodology

See page 94 for more details
Digital Teaching Tools

Our primary courses feature a variety of digital support materials that provide easy-to-use resources for lesson-planning, and make teaching English fun and engaging.

- **Active Teach**
  An interactive version of the Pupil’s Book, classroom audio, flashcards for all key words, printable Teacher’s Resources, and a wide variety of easy-to-use interactive activities.

- **Interactive Whiteboard Software**
  An extremely simple and flexible whiteboard software that helps you transform our courses into a dynamic, digital, multimedia teaching tool. All pages of the Student Book are included for engaging classroom presentations.

- **Test Generator**
  Includes digital versions of tests and quizzes, plus the built-in ExamView® Assessment Suite to provide a powerful and easy-to-use tool for standards-based assessment and reporting.

Julianna Lorinczi (Hungary)

“English Adventure is colourful and well designed, very attractive for young learners, with lots of games, songs, communicative practice.

The teaching materials I use offer topics that have direct impact on pupils’ confidence and their motivation. The topics enable students to talk about the subject they all know best: themselves.”

KEY

| BOOK 1 | BOOK 2 | BOOK 3 | BOOK 4 | BOOK 5 | BOOK 6 | BOOK 7 | BOOK 8 |
Fly High is a motivating four-level course for young learners that integrates reading, grammar, writing, listening, and speaking skills in a fun and engaging way. Language is presented in humorous cartoon stories and follows the adventures of the Fly High characters.

- Games and songs are used to consolidate language and a “Reading for Pleasure” story develops reading skills and recycles language in a new context
- The Activity Book and Pupil’s CD-ROM with interactive songs and games offer further opportunities for consolidation and revision
- Additional teacher resources include flashcards, photocopiable worksheets and posters
- The Active Teach CD-ROM provides an interactive version of the Pupil’s Book that turns Fly High into a dynamic multimedia teaching tool

Language is presented through engaging cartoon stories featuring likeable characters: Cabu the lion, Trumpet the elephant, and Paco the parrot.

**Components**

- Pupil’s Book with Pupil’s Audio CDs
- Activity Book with Pupil’s CD-ROM
- Active Teach CD-ROM
- Vocabulary flashcards
- Teacher’s Guide
- Class Audio CDs
- Alphabet flashcards
- Wall posters

**Fly High Active Teach includes:**

- an interactive version of the Pupil’s Book
- classroom audio
- flashcards for all key words
- printable teacher’s resources
- wide variety of easy-to-use interactive activities
Pockets, Second Edition, introduces exciting new features to the very popular three-level English course for children ages three to five. This series continues to use the successful five-step pedagogy of Warm-Up, Presentation, Practice, Application, and Assessment, while developing language and developmental skills through fun hands-on activities.

Student Book units include creative Projects, Values Curriculum, and an enhanced numbers curriculum. Photographs add a real-life connection. Assessments have been enhanced by the addition of dialogues. The Numbers curriculum has been extended. An innovative Reading and Writing Workbook can be used to accelerate learning in Level 2 or to extend practice and advance further in Level 3. New songs and chants will again motivate children to reach into Pockets, Second Edition to learn English!

New Features include:
- Game-filled CD-ROMs with Student Books 2 and 3
- Projects and values pages
- Catchy songs and chants
- Reading and Writing Workbook
- Large format Student Books, Workbooks, and all-new photo Picture Cards

Now for even younger learners...

Little Pockets uses the same five-step pedagogy as the Pockets course, with its own games, songs, chants, and activities for very young children to provide a strong foundation for successfully learning English!
Backpack, Second Edition

Mario Herrera and Diane Pinkley

Backpack, Second Edition is now even more colorful and richer! Packed with opportunities to learn through songs and chants, stickers, games, stories, hands-on projects, and TPR activities, Backpack guarantees your students will learn while having fun. The Backpack approach promotes deep learning through systematic integration of vocabulary, grammar, and the four skills within levels, across levels, and across components.

Features of the new edition:

- Beautifully illustrated vocabulary tips, presentations that captivate learners
- Values lesson incorporated into each unit
- A complete assessment program that includes testing tips and techniques as well as test generator software
- Interleaved Teacher’s Edition includes step-by-step lessons and a wealth of teaching options
- Workbooks, large format Posters and Picture Cards reinforce and extend language and grammar
- The Teacher's Resource Book provides pedagogical information for the teacher and many reproducible activities for students
- CD-ROMs and a Companion Website provide variety and additional ideas and activities

Perfect for teachers of young learners! See page 94 for information about TDI, an online professional development course.

www.pearsonlongman.com/backpack
Reach into Backpack Gold for a richly illustrated, seven-level communicative course that motivates primary learners and supports teachers. Backpack Gold is packed with child-friendly topics, catchy songs and charts, stickers, games, stories, hands-on projects, extensive reading and writing materials and TPR activities.

Young learners will succeed with Backpack Gold!

New Features:

- All new music helps students engage with songs
- New values curriculum teaches citizenship and strengthens the home-school connection
- New Picture Dictionary (Starter), Sound and Spelling Handbooks (Levels 1-3) and Grammar Writing Handbooks (Levels 4-6) in the Students Books and workbooks provide support and practice
- New Assessment Package offers teachers’ tips, techniques, tests and a test generator
- Updated Interactive Whiteboard Software engages students and helps sustain motivation

Perfect for teachers of young learners! See page 94 for information about TDI, an online professional development course.
**My First English Adventure** combines the magic of Disney with the expertise of Pearson Longman to give you and your pupils a joyful learning experience.

- Specially designed to meet the learning needs of very young pupils, *My First English Adventure* offers three levels with the appropriate amount of material and support to help you create fun, dynamic and memorable lessons
- With puppets, board games, stickers, activity mats, posters, flashcards, CD-ROMs, and DVDs, *My First English Adventure* will make every lesson a success!

Tracks offers an innovative combination of original stories and real-life topics that are set to spark your pupils’ imagination and hold their attention. With both ongoing stories and adventure episodes, Tracks will appeal to your pupils’ diverse interests, and keep them motivated lesson after lesson. Responding to the changes which occur in children as they develop and mature, each level of Tracks offers the appropriate combination of fantasy and factual content. Cross-curricular lessons, personalisation activities and project work ground the course in the here-and-now, giving pupils the opportunity to bring their real-world experiences into the classroom.

Developed by teachers for teachers, Tracks offers:

- a crystal-clear format that reduces preparation time and enhances pupils’ success
- ample opportunities for recycling and assessment activities which help track progress
- full-colour teacher’s book with pupils’ book pages, surrounded by easy-to-use teaching notes
TOPS
is a six-level primary course that builds enthusiasm for learning English, and ensures success for both students and teachers through motivating exercises and activities. Creative lessons present thematically linked vocabulary, the four skills, a values curriculum, as well as songs, chants, and games. TOPS motivates students with interesting readings and a thought-provoking values curriculum.

SuperKids
motivates students with interesting readings and a thought-provoking values curriculum.

TOPS
supports teachers with step-by-step lesson plans including extra activities, a ready-to-use assessment program, and an end-of-unit games that encourage students to have fun with language.

SuperKids
takes the best techniques from proven language teaching methodologies and turns them into a program that your students will love!

• Fun songs, chants and TPR activities
• Discover it! Units for cross-curricular topics

Beeno
is an exciting 6-level kindergarten course for young learners. Utilising the lovable character of Beeno, the course develops communication skills through fun, engaging and interactive activities.

Beeno
introduces everyday, oral language emphasising active listening and full classroom participation, and comes with a complete set of learning resources for the kindergarten class.
This stunning dictionary presents words through a variety of appealing illustrations and photographs. The words have been especially chosen to help young children describe the world as they see it and are presented in context through age-appropriate topics with engaging songs and chants, and simple, child-centered dialogues.

www.childrenspicturedictionary.com

Designed especially for primary-aged children, this attractive dictionary provides creative and original settings for vocabulary to excite and motivate your students.

With over 950 photocopiable flashcards, and a complete bank of game ideas, you will never run short of ideas again!

www.childrenspicturedictionary.com

Phonics Fun introduces your students gradually to the sounds of American English. It offers a lively mix of songs, rhymes, stories, and tongue twisters to help your students practice their new skills.
Students will find grammar practice enjoyable with New Round-Up. Clear, grammar tables and explanations combined with lots of practice make understanding the language easy for young learners. Lessons in New Round-Up contain a variety of games and written exercises. Each Students’ Book now comes with an interactive student CD-ROM containing additional practice activities, games and listening exercises.

This unique 7 level program provides age appropriate grammar instruction for Primary through Secondary students and can be used in class, for homework and for revision.

A grammar course that is truly flexible and engaging for younger learners! New Grammar Time guides and motivates students, the perfect partner to their coursebook. Great for classroom use or home study.

For the students:
- Humorous cartoons and appealing characters
- Exciting interactive elements in digital format
- Fun role plays help bring grammar to life

For the teacher:
- Clear grammar presentations for reinforcement and extension
- Extra photocopiable activities in the Teacher’s Book
- Perfect tool to help prepare students for the Cambridge Young Learners English Test, KET and PET

All the Skills you need to succeed

The definitive and comprehensive series of skills books for young English learners. Developed around age-appropriate, cross-curricular topics that develop student’s critical thinking and examination techniques, the series follows an integrated skills approach with each of the skills brought together at the end of every unit.

- Age-appropriate themes and cross-curricular topics
- Flexibility

www.boostskillsseries.com
Longman Cornerstone is a multi-level program designed for elementary English learners and struggling readers. The program blends rigorous, research-based reading and language skills instruction together with a balance of content-area readings and age-appropriate, high-interest stories.

Program includes:
- Practice Book – contains extension activities for each skill taught
- Assessment Book – provides progress monitoring, unit, and summative assessments
- Teaching Resources and Transparencies – model daily language practice and vocabulary development exercises
- Student technology resources include: Audio CD, DVD, and Interactive Student e-book
- Teacher technology resources include: ExamView® Assessment Suite
- Companion Website has additional student and teacher resources

Program highlights:
- Accelerates academic vocabulary acquisition through explicit instruction
- Develops transferable academic skills through Understanding by Design and connected learning
- Provides an easy-to-use road map
