

## Penguin Young Readers: stories that children love!

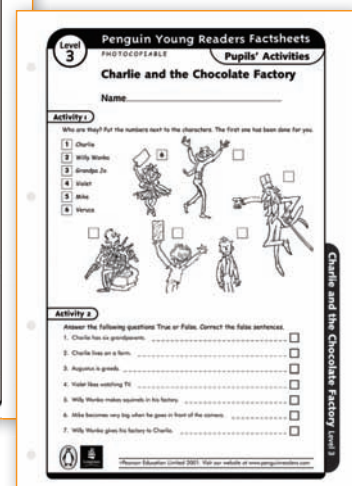

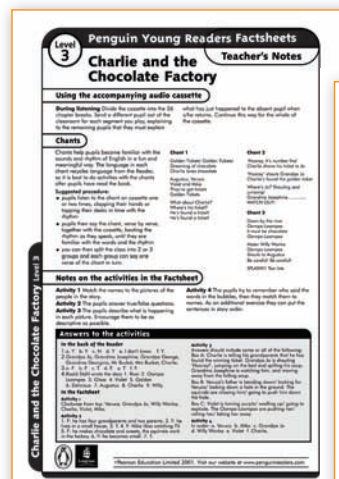

Aimed at young learners aged 5 to 11, Penguin Young Readers are graded at four levels of difficulty from Level 1 to 4. There are 3 book sizes at every level so younger children can read larger sized books with fewer words per page and larger illustrations. For older children who are more familiar with reading in their own language, there are smaller sized books with more words per page.

With eye-catching illustrations and including popular fairytales, film tie-ins and cross-curricular topics, each book offers chants and exercises at the back which can be used to enrich the story and extend the language practice.

- Chants accompany the series. Visit [www.penguinreaders.com/pyr/audio.html](http://www.penguinreaders.com/pyr/audio.html) for MP3 download
- Photocopiable activity sheets for every title, with teacher's notes and a wide range of classroom activities that are age-appropriate

Four downloadable teacher's guides offering you all the support to bring your reading and story-telling lessons to life at [www.penguinreaders.com/pyr/teachers-guides.html](http://www.penguinreaders.com/pyr/teachers-guides.html)
