INTEGRATED SKILLS

Widgets

Marcos Benevides and Chris Valvona
Pre-intermediate – Advanced

A unique, integrated four-skills course that places emphasis on oral communication using a task-based approach. Within the context of an imaginary company, students work individually and in teams to solve problems and achieve goals as they would in the real world. Divided into six units, students use English to learn about the company and co-workers, develop new product ideas, make presentations, conduct market research, market their products and evaluate their progress.
