The World Café

Is there something that you want?
Is there anything you need?
Have you made up your mind
what you want to eat?
Place your order now,
or do you need more time?
Why not start with some juice—
lemon, orange, or lime?
Some like it hot, some like it sweet,
some like it really spicy.
You may not like everything you eat,
but I think we're doing nicely.

[CHORUS]

I can understand every word you say.
Tonight we're speaking English at The World Café.
