

When I \_\_\_\_\_ this morning,  
7. *wake up*  
my feelings \_\_\_\_\_ so strong.  
8. *be*

I put my pen to paper,  
and I \_\_\_\_\_ this song.  
9. *write*

I'm glad I \_\_\_\_\_ to know you.  
10. *get*

You really \_\_\_\_\_ me smile.  
11. *make*

My heart belonged to you  
for a little while.

**[CHORUS]**

Yes, that \_\_\_\_\_ then,  
12. *be*

and this is now,  
and all I do is think about  
yesterday,  
my favorite day of the week.

It \_\_\_\_\_ wonderful to be with you.  
13. *be*

We \_\_\_\_\_ so much to say.  
14. *have*

It \_\_\_\_\_ awful when we waved goodbye.  
15. *be*

Why did it end that way?

**[CHORUS]**

Yes, that was then,  
and this is now,  
and all I do is think about  
yesterday,  
my favorite day of the week.
