TOP NOTCH POP LYRICS

My Favorite Day [Unit 11]

Last night we walked together.
It seems so long ago.
And we just talked and talked.
Where did the time go?

We saw the moonlit ocean
across the sandy beach.
The waves of summer fell,
barely out of reach.

(CHORUS)

Yes, that was then,
and this is now,
and all I do is think about yesterday,
my favorite day of the week.

When I woke up this morning,
my feelings were so strong.
I put my pen to paper,
and I wrote this song.

I’m glad I got to know you.
You really made me smile.
My heart belonged to you
for a little while.

(CHORUS)

It was wonderful to be with you.
We had so much to say.
It was awful when we waved good-bye.
Why did it end that way?

(CHORUS)
