Are you sick and tired of working hard day and night?
Do you like to look at the world in shades of black and white?
Your life can still be everything that you were dreaming of.
Just take a look around you and see all the colors of love.
You wake up every morning and go through the same old grind.
You don’t know how the light at the window could be so unkind.
If blue is the color that you choose when the road is rough,
you know you really need to believe in the colors of love.

(CHORUS)

The colors of love
are as beautiful as a rainbow.
The colors of love
shine on everyone in the world.
Are negative thoughts and emotions painful to express?
They’re just tiny drops in the ocean of happiness.
And these are the feelings you must learn to rise above.
Your whole life is a picture you paint with the colors of love.
