TEACHER'S NOTES:

Out and about

Aim: to consolidate vocabulary: places in a town and transport, prepositions of place from unit 6; to improve accuracy and confidence using the vocabulary.

Time: 40 minutes

Materials: photocopies of the worksheet for each student.

- 1 Check students understand the concept of 'unscrambling' before asking them to work out what these words are. Again, if necessary elicit an example or write one on the board. E.g. 'feca' is 'café'. If you have more time here, get students to either use the Students' Book, page 55 or their vocabulary notes, to make up six anagrams of new words from unit 6 for their partner.

Answers: 1 cinema 2 tram 3 train 4 school 5 library 6 bank 7 bus
8 taxi 9 bookshop 10 park 11 square 12 supermarket

- 2 Ask the students to imagine they are a teacher correcting the sentences. Encourage them to work on their own initially as they will have a chance to work together in the final part.

Answers: 1 F I have a little garden *in front of* my house. 2 T 3 T
4 F The bus stop is *next to* the post office. 5 T 6 F The train station
is *on the left*.

- 3 Encourage the students to use as many as possible of the prepositions of place to describe locations in their town. Get students to swap with each other at the end to check for accurate spelling.
