TEACHER'S NOTES:

Aim: to provide further practice of asking where something is in a town. This worksheet is designed to be used in conjunction with unit 4.

Time: 30-40 minutes

Materials: copy of the worksheet for each student

- 1 Students work on their own to draw their own map. Refer them to the map on p.46 of the Student Book as a model. They should mark on the map the eight places listed.
- 2 Students then ask each other where each of the places on the map is. They use as many of the phrases given as they can in their questions and answers.
