### TEACHER'S NOTES:

**Aim:** to use the Internet to explore the theme of 'places'. This webquest is designed to be used in conjunction with unit 5.

**Time:** 40 minutes

**Materials:** copy of the worksheet for all students

- 1 Make sure that all students are on the correct website. Students then click on 'places to go' and fill in the table writing the correct location in Cornwall of each place. Quickly revise north, south, east, west and centre with the students. Monitor to help if necessary. Elicit answers from the class.

Tintagel - north  
Lizard Peninsula - south  
Lostwithiel - centre  
Callington - east  
Penzance - west  
Newquay - north  
Roseland Peninsula - south  
Bodmin - centre

- 2 Students use their findings from exercise 1 to talk about Cornwall. They take turns to say where the places are from the table in exercise 1. Ask for class feedback.

Ask students for answers to the questions. Also ask for any new words students have learnt and write these on the board.
