Food and drink

1 What do English children eat?

In England most children don’t eat a traditional English breakfast of bacon and eggs every day. They eat cereal like cornflakes with milk. Some families like to eat porridge especially on cold winter days.

At about 11 o’clock many children eat a snack or some fruit. Lunch is at about half past twelve. There are usually two courses. The main course is meat or fish with vegetables. After the main course, they eat a dessert. The dessert is usually sweet. Children in England don’t drink wine or beer. They usually drink water or fruit juice. When children come home from school, they have tea. They eat bread and butter with jam. They eat dinner in the evening at about 8 o’clock. Dinner is usually a main course and a dessert. Children often drink hot chocolate milk before they go to bed.
