

Colourful World Worksheet

1 Look at the picture of the balloons and work out what colour they are by doing the simple sums. Then work with a partner and say what colour each balloon is.

1=brown	2=red	3=green	4=black	5=grey
6=yellow	7=pink	8=white	9=blue	10=orange

Teacher: What colour is this balloon?

Student: One and three is four, so this balloon is black.

Teacher: Good. And what about this balloon?
